

## Tiger Cubs Preschool Mission

We are committed to creating educational experiences that increase your child's love of learning and nurture his/her cognitive, physical, and social/emotional development. We aim to accomplish this by developing strong relationships that develop trust, capture student strengths/interests, and build confidence.

## Tiger Cubs Preschool Philosophy

Our program is designed to allow children the opportunity to explore, play, cooperate with others, and work independently. This diverse environment promotes age-appropriate activities in the areas of language, literacy, math, arts, and movement; all of which nurture literate, lifelong learners. To support this philosophy, we encourage family involvement and community awareness. Your investments of time and energy help to build valuable connections and strong partnerships between home and school. We are committed to fostering a positive school culture focused on learning where all students find success and achieve at high levels. We look forward to sharing this vision with your child and family in the year ahead!

## Meet the Teachers

Mrs. Amber Vogel is fully licensed in Early Childhood Education. Miss Amber was raised here in Springfield and loves the community's pride, humbleness, and kindness. This will be her eighth year as the preschool teacher, and she is very passionate about teaching our youngest learners through a variety of creative, hands-on, and playful experiences! She is also an advocate for early childhood activities in our community and Early Childhood Family Education (ECFE).

Miss Jennifer Schultz is fully licensed in Early Childhood Special Education. This will be Miss Jenn's sixth year teaching in Springfield. She enjoys getting to know the early childhood families as well as advocating for early learning services available on an individualized basis. She also has a strong desire to make sure each child succeeds to the best of their abilities!

They work cooperatively to establish an educational environment that is welcoming, safe, and engaging for all preschoolers and families to learn and play.
